## Printed Photos

---

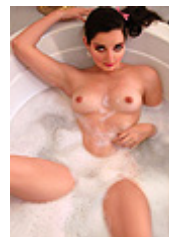

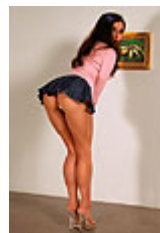

This is the ONLY place, worldwide, these photo prints are available for sale.

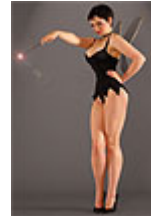

Rei was first photographed by Mike in 2004. She was a sweet young thing then, with gorgeously-full long locks to match her gorgeously-full long legs. She hailed from Canberra, Australia (about the furthest one can get from Mike's studio and still be on the planet). So Mike felt the urgency to make the most of her great effort. According to Mike, it was as delightful as can be. They shot for 3 wonderful days.

Four years later, Rei returned, no less beautiful, her body still a stunning mass of curvy flesh, but this time she sported super-cute, pixie-length hair which Mike loved. Not only because so few models wear their hair short, but because it afforded even less obstructed views of her youngish face and voluptuous, womanly body. More to come.
